Lyrics:

(Pre Chorus)

You can't trust him
And doubt him
You can't say you love him
and don't know about him

Give him a call
when you ain't round him
Cause he loves to know
when you thinking about him

(Chorus)

It's no secret
(Sisters) I'm in love with the man upstairs
It's no secret
I'm in love with the man upstairs
Yea

(Verse 1: Rap)

She been walking with the lord since she could stand on her feet
And if she could love a man she never seen I know she can love me
Bernie Mack
I'm him downstairs bring it back
Tell Aretha say a prayer
What's that
Thats church boy flair
Bags packed
I keep my faith in the air

(Pre Chorus)

You can't trust him
And doubt him
You can't say you love him
and don't know about him

(Verse 2: Rap)

Have you ever met bruh man from the 5th floor
If he can't make it through the door
He'll probably open up the window
Shooting dice with red Foxx on the golden street
Still bootlegging wine like an OG
Spitting game at the well that's an old leak
Bottom scale he an A he just low key

(Pre Chorus)

You can't trust him
And doubt him
You can't say you love him
and don't know about him

Give him a call
when you ain't round him
Cause he loves to know
when you thinking about him

(Chorus)

It's no secret
(Sisters) I'm in love with the man upstairs
It's no secret
I'm in love with the man upstairs
Yea
